21st November 2024

By E-mail

Attn: School Principal / Teacher in-charge

Dear Principal / Teacher in-charge,

Yuen Long Water Polo Development Programme

The Water Polo Committee of the Hong Kong China Swimming Association is pleased to invite your School for the participation in the Yuen Long Water Polo Development Programme. The programme will be held at Yuen Long Swimming Pool from November 2024 to March 2025, at 11 am - 1 pm on every Saturday.

The aim of this programme is to promote Water Polo activities at the Secondary School level. In the past, many players who took part in our inter-school tournaments only 2 weeks of introduction to water polo prior to the tournament itself. Amazingly, almost all student athletes enjoyed the experience. Some of them have, as a direct result of the competition, carried on with water polo afterwards. The representatives of Hong Kong Water Polo Team will also be at the programme for talent scouting, and you are more than welcome to discuss with the coaches at anytime about boys and girls that you believe have potential to excel in water polo.

Over the years, Yuen Long District Water Polo Team had produced many players that went on to represent Hong Kong for at an international level, including Asian Games and National Games of China. The Water Polo Committee would be very happy to offer material or technical assistance to your school; for example, we are happy to provide some basic water polo background to PE teachers, etc.

At the end of the programme, there will be a certificate for every participant to prove their credentials. The coach of Yuen Long Water Polo Team will also select 13 outstanding players to participate in the upcoming Winter Deep Water Polo Championships scheduled in March 2024. Enclosed please find the Entry form for your arrangement.
